Nuove navicelle arrivano sulla Terra, in fuga dalla stazione spaziale a corto di ossigeno. I 100 sono pronti ad accogliere i fortunati sfuggiti a una morte certa. Tra i nuovi arrivi ci sono vecchi amici come Glass e Luke, che ritrovano così Clarke e Wells. C'è anche il temibile Vice Cancelliere Rhodes, però, che intende ristabilire il regime di terrore instaurato sulla stazione spaziale, senza sconti per nessuno. Bellamy, colpevole di aver causato il ferimento del Cancelliere, è il suo primo bersaglio. In fuga dalla colonia, si rifugia con i suoi amici tra i terrestri. Lo scontro con le truppe di Rhodes è inevitabile. Il Vice Cancelliere sferra un attacco spietato, ma i suoi avversari sono determinati a resistere. È giunto il momento che i 100 si uniscano e lottino per difendere la libertà che hanno trovato sulla Terra.
