Download sheet music for pop choose from pop sheet music for such popular songs as la vie en rose hello dolly and sentimental journey print instantly or sync to our free pc web and mobile apps. This is a list of articles describing popular music acts that incorporate the accordion the accordion appeared in popular music from the 1900s 1960s this half century is often called the golden age of the accordion three players pieter frosini and the two brothers count guido deiro and pieter deiro were major influences at this time. But there are still many musicians who still feature the instrument in rock and pop music although its reputation faded through the 1960s up until somewhat recently the accordion is now experiencing a late life resurgence thanks to indie bands like arcade fire and mumford and sons or acts like weird al yankovic all according to the la times.
