After her no-good drunk of a father tries to trade her for a bottle of whiskey, nineteen-year-old Emma Foley ends up as the reluctant ward of Jake McCabe, the stern, handsome man she spent years doing her best to annoy. But now that she is under his authority, things will be different, and when she is naughty Emma's cute little bottom will be bared and very soundly spanked. Though Jake is the less-than-enthusiastic owner of the saloon his late father established, he has no intention of allowing Emma to become a working girl, and when he catches her flaunting her body in a scandalous dress he punishes her thoroughly. The strict chastisement arouses them both intensely, however, and it is all he can do to keep from ravishing her right then and there. With her need for him growing more and more obvious every day and his ability to control himself slipping away, will Jake make Emma his bride before he claims her beautiful body? Publisher's Note:

Bartered includes spankings and sexual scenes. If such material offends you, please don't buy this book.

Preface to the first edition

the present volume contains three studies which seem to me to be necessary prolegomena to that analysis of the sexual instinct which must form the chief part of an investigation into the psychology of sex the first sketches the main outlines of a plex emotional state which is of fundamental importance in sexual psychology the second by bringing together The chansons de geste inspired originally by the historical deeds and legendary exploits of the great frankish king and western emperor charlemagne 742 814 began as an orally posed and publicly presented form of entertainment for the pleasure and edification of the frankish barons whose delight in bat they reflected the masterly level of sustained epic diction achieved in the song.
