The LightSong of Eternal Love is the first book by an American Surat Shabda Meditation teacher about the JAP JI – Guru Nanak's timeless morning prayer for the Sikh faith. Transcribed from a series of talks Michael Turner gave on the JAP JI, it delves into the heart of spirituality, and offers insight into applying this prayer and its immortal wisdom to our daily lives. This morning prayer, when combined with communion with the Spiritual Current of the Word (Surat Shabda Meditation), will place your feet on the path home to Soul-realization, God-realization and Spiritual Freedom. If you read these verses and discourses with sincerity and receptivity, you will find yourself uplifted in your state of consciousness. Thank you . . . with love.
