You wake up in the middle of nowhere, on the side of the road, in the rain. And you can't remember who you are. Worse yet, you have bullet wound on the side of you head. Who tried to kill you? Are they still out there? Why did that someone try to kill you?What happens to a man when God takes his empty memory and fills it with His love? What happens when 2 Corinthians happens literally in a man's life, when old things pass away and all things become new?The Bible says that if any man is in Christ, he is a new creature; old things have passed away and all things have become new. What if God literally had the old things pass away? John Doe gets to experience it. We watch as he becomes a new creature through amnesia, discover who his old self was, and face the responsibilities that face a Christian who wants to be obedient to Christ, no matter the cost.
