- *Insider tips on each location to ensure you have the best experience possible.
- *Comprehensive cost estimate of the various tour options and for each excursion included in the tour so you can mix and match to best suit your budget.
- *Recommended tour operators for some of the excursions that you cannot do on your own.
- *Recommended time to spend at each location to ensure you get to see and experience as much as possible and make it back to the ship on time.
- *Recommended restaurants in the tour area where you can enjoy lunch and a few drinks on the beach.
- *A photo gallery and YouTube video links of each tour option to give you an idea of what you can expect to see and experience.
- *Downloadable maps, which you can download onto your mobile device to use as navigation to and from each tour stop and back to the ship. The maps include directions and distance to activities and sites as well as ATM and other useful location indicators.
