Abraham Joshua Heschel was one of the most revered religious leaders of the 20th century, and God in Search of Man and its companion volume, Man Is Not Alone, two of his most important books, are classics of modern Jewish theology. God in Search of Man combines scholarship with lucidity, reverence, and compassion as Dr. Heschel discusses not man's search for God but God's for man--the notion of a Chosen People, an idea which, he writes, "signifies not a quality inherent in the people but a relationship between the people and God." It is an extraordinary description of the nature of Biblical thought, and how that thought becomes faith.

**God in search of man shines scholarship with lucidity and reverence and passion as heschel elucidates the nature of religious thought how thought begets faith and how faith creates responses in the believer**

God in search of man quotes showing 1:30 of 44 it is customary to blame secular science and anti religious philosophy for the eclipse of religion in modern society it would be more honest to blame religion for its own defeats religion declined not because it was refuted but because it became irrelevant dull oppressive insipid.
