TRUE LOVE This book contains quotes on true love and stories of true love. There are many misconceptions about love today especially among youths. Many of us don't know what it means to express true love and so we go about deceiving people by telling them that we love them when, in essence, we only like certain things about them. Added to this is the problem of how to express love. Some of us ask the question, "How can I know whether someone truly loves me or not?" That is one of the questions whose answer you are going to discover as you read this book.
