Dive a little deeper into her world, discover hidden treasures, and hang out with Cecilia, Tess, and Rachel just a little longer with this Sidekick. Warning: This is an independent companion to *The Husband's Secret*, meant to enhance your experience of the novel. If you have not yet

bought Liane Moriarty's novel, make sure to purchase it before buying this unofficial Sidekick. Opening with the myth of Pandora's Box, this is a tale of lies and secrets—and the ways that people are rarely what they appear. Cecilia has the perfect life: successful career, devoted husband, loving children . . . but when she reads a letter her husband intended her to find only after his death, it changes her world forever. After The Husband's Secret amassed critical acclaim and took off in 2013, Liane Moriarty's Big Little Lies debuted at the #1 spot on the New York Times bestseller list—making her the first Australian author to claim that honor. She has written six novels, as well as a series of three books for children. With this Sidekick, you'll:

- Learn what you might have missed on your first read of Moriarty's novel
- Discover some of the book's secret gems and underlying themes
- Explore possible alternate endings and imagine ideas for a sequel
- Spend some more time with the characters you've come to know and love, delving deep into their psyches and hidden motives

Sidekicks are entertaining and insightful reading companions, filled with delightful commentary and thought-provoking questions. Readers have raved that "Samantha Allen has an excellent eye" and "really helped me understand the connections between the characters," calling her work "somewhat jaw-dropping and awe-inspiring for me. Like a light bulb went on all of a sudden." Designed to be read side by side with the novels they complement, they'll give you even more reasons to love some of today's best books.
