multiple books archives from fictions to scientific explorationh in any way. We settle for you this fitting as masterfully as simple arrogance to receive those all.

"L'autore Stefano è nato a Roma. In questa antica e magica città è cresciuto e qui affondano le sue radici che non gli hanno impedito di aggirarsi un po? per il mondo, tanto che oggi la sua saggezza è riassunta nella frase: ho girato e conosco la gente. Qui tra antiche vestigia e monoliti moderni ha completato il ciclo di studi di indirizzo industriale e ha cominciato a fare i primi passi nella fotografia professionale. Ha lavorato in storiche agenzie foto-giornalistiche rivestendo diversi ruoli: stampatore, fotografo, archivist. In tempi più recenti si è dedicato all'insegnamento della fotografia e dell'informatica professionale e ha tenuto seminari tematici. In tutto questo tempo però non ha smesso di scrivere perché la sua passione non si è mai spenta. Oggi in lui sono confluite tutte le esperienze di discipline diverse: fotografia, letteratura, informatica, arte frattale, pittura digitale. Questo fiume sta sfociando in una serie di pubblicazioni ogni volta di genere e tema diverso."

Within this concrete mountain there is a single burial chamber 5 95 4 10 m wide and 4 80 meters high whose cubicle constitutes little more than 1 of the total volume of the monument a parison of the shape with the giza pyramids reveals that the structural strength of the concrete has made it possible to build the roman pyramid at a much more sharp angle than egypt s one
