discovery on Idaho's River of No Return. A book of
rich descriptive beauty."

The grand canyon in arizona is best explored by river from float trips to white water rafting here are four ways to explore arizona s grand canyon by boat

After the waterfall we cruised along the river as the bow crashed into rapids i ve been in a rainforest before but nothing like this ever it s as though the sides of the river are sheer cliffs and the forest is guarded by an impenetrable layer of trees that tower over all making you realize just how small and insignificant you really are to the whole ecosystem we call earth. One of the most thrilling and satisfying ways to experience the power and beauty of a river is while racing along with its current early fall is the perfect time to try whitewater rafting for beginners and families with cooler weather trees beginning to change color and water that s flowing at a less heart pounding rate than it does following snowmelt in the spring. But for a short period in early spring melting snow turns the river into a rushing torrent with class 4 and 5 rapids on a par with the famous whitewater rivers in the rockies with a few waves. Mother river a journey along the river is like a mistress says rice farmer kai ketthavong as he takes a break in his fields khone phapheng is a churning cauldron of whitewater crashing and foaming over a span of jagged rocks and shattered boulders nearly six miles wide.
