Il y a trois mille ans, au pied des hautes terres du Yémen, à l'orée du désert, par la seule maîtrise des crues d'orage, de grandes cités naquirent des sables, entourées de palmeraies, de jardins et de vignobles. La plus

connue d'entre elles était Ma'rib, capitale d'un royaume sur lequel aurait régné la mythique reine de Saba, ville célèbre aussi pour ses oasis et sa digue, l'une des plus anciennes merveilles hydrauliques de l'Antiquité. Sur les murs d'enceinte, les piliers des temples, les façades des maisons, les rochers ou les pétioles de palme, les Sudarabes gravèrent leurs messages, destinés aux dieux et aux hommes, dans une écriture simple et belle comme la naissance du jour. Un photographe et un épigraphiste, spécialiste de l'écriture sudarabique, ont parcouru ce Yémen encore mal connu pour en rapporter un livre où se conjuguent leur lecture de la lumière et des pierres.

Javier Cortes celebrates Mexico's third goal during the men's Football semi final match against Japan at Wembley Stadium The Japanese men looked set to join their women's team in setting up a gold medal match when a superb third goal of the tournament from Yuki Otsu gave them an early lead in this afternoon's semi final
