"Pressestimmen In Five Stars, communication coach Carmine Gallo skillfully builds the case that mastering the ancient art of

persuasion is the key to thriving in a world of rapid technological change. Developing superior communication skills is no longer an option; it's fundamental for success. Five Stars is an enormously valuable tool for entrepreneurs and leaders in every field. Having worked at small startups as well as giant tech companies, I've worked with a lot of great people and a small number of really exceptional ones. In Five Stars, Carmine Gallo explains why the ability to communicate separates the 10xer. If your great ideas are locked in your head they are useless to you and your team. You have to be able to explain your ideas efficiently and persuasively. Anyone who hopes to survive and flourish in today's economy should read this book and learn. We live in an era of exponential growth technologies. Carmine Gallo brilliantly stretches our imagination how to use the art of persuasion to turn possibilities into probabilities. This is an amazing book every entrepreneur should read. As an entrepreneur, I know that my ability to effectively communicate and tell stories to our stakeholders is at the cornerstone of any success our business has ever enjoyed. In Five Stars, Carmine Gallo persuasively and entertainingly makes a compelling case for communication as the crucial differentiator of the digital age. As technology threatens to displace countless jobs and skills, the ability to communicate is becoming more important than ever. This book is full of examples to help you get better at transporting your thoughts and emotions into the minds of other people.
