Alternatively than relishing a superb book with a cup of tea in the afternoon, instead they are facing with some harmful bugs inside their pc.

After almost a half a century of scrupulous devotion to his art, Jorge Luis Borges personally compiled this anthology of his work—short stories, essays, poems, and brief mordant “sketches,” which, in Borges’s hands, take on the dimensions of a genre unique in modern letters. In this anthology, the author has put together those pieces on which he would like his reputation to rest; they are not arranged chronologically, but with an eye to their “sympathies and differences.” A Personal Anthology, therefore, is not merely a collection, but a new composition.
