From the extraordinary pen of Jane Feather, nationally bestselling author of *Valentine*, comes a bewitching tale of a beautiful bandit who's waging a dangerous game of vengeance—and betting everything on love . . . She was a bandit known as *La Violette*, and she had fallen into the hands of the French. Now it was Julian St. Simon's assignment to rescue her—then force her to reveal the strategic military secrets only she knew. But Tamsyn was no timid flower. Beneath her deceptively fragile beauty was a spirited young woman who would give Julian what he wanted—for a price. Soon the handsome officer is trapped into taking Tamsyn back with him to England and turning her into a proper lady. It's a mission more dangerous than he knows . . . as Tamsyn, exchanging rifle and bandolier for the sensuous glide of silk, plots a vengeance that could threaten both of their lives and his well-guided heart. "An author to treasure."—*Romantic Times*
