""The dark lines of Allen's skillful lino cut prints make the perfect accompaniment to a book of night poems." ?Horn Book, starred review L'autore The Newbery Honor Award winner Joyce Sidman is simply one of the best poets writing for children today. For her body of work, she recently won the Award for Excellence in Poetry for Children. She lives in Wayzata, Minnesota, where she has grown to know the cold. joycesidman.com Rick Allen endures the winter by pressing original linoleum cuts, curious wood engravings, and other printed ephemera in collaboration with his wife and creative partner, Marian Lansky, and their assistant, Janelle Miller.

These illustrations are absolutely gorgeous. Whether it's a picture of a fox pouncing, as on the cover, or a hive of bees sequestered for the winter or the beavers in their lodge, Allen has created beautiful artwork that is sure to stand the test of time. And the poems are just as amazing. There are poems highlighting tundra swans, garter snakes, moose, snowflakes, bees, beavers, and more. In

addition to the wonderful poetry, the author also includes a short explanation of the facts behind the poems. A beautiful book all the way around and I would be surprised if it doesn't get some award love. This is definitely one of my favorite picture books of the year. Leggi di più 14 persone l'hanno trovato utile Traduci recensione in Italiano GeekParent 5,0 su 5 stelle Science, art, and poetry in one book. 29 novembre 2014 - Pubblicato su Amazon.com Acquisto verificato We donated this to a 1-3 grade classroom. After reading the moose and raven/wolf poem at circle, the kids commented most about beautiful/amazing/fun illustrations, and how the wolf and raven work together. The snake page was popular. I enjoyed the poems, but particularly like that there is a science facts paragraph or two next to the artistic poem. The word choices in the science fact section are a bit advanced for 6 year olds, but strong readers will appreciate the challenge. This book appeals to a wide range of interests and abilities. Leggi di più 10 persone l'hanno trovato utile Traduci recensione in Italiano Connie 5,0 su 5 stelle Winter is Alive in Winter Bees and Other Poems of the Cold! 23 febbraio 2015 - Pubblicato su Amazon.com Acquisto verificato Winter Bees and Other Poems of the Cold by Joyce Sidman and Rick Allen is a favorite winter book. The book combines poems, illustrations, and science depicting how animals, birds, and insects survive the winter. The combination of poetry and science is a delightful blending to intrigue and educate readers of all ages. The illustrations catch the magic of winter and the survival actions of each animal. This is a great book for children as it tells, and shows, that even when the landscape is blanketed with snow, animals, birds, rodents,

and bees are still active staying alive, each their own special way. Leggi di più 6 persone l'hanno trovato utile Traduci recensione in Italiano Ginny Mapes 5,0 su 5 stelle Art, Poety, and Science Combine For Winter Bees... 1 gennaio 2015 - Pubblicato su Amazon.com Acquisto verificato

Winter Bees & Other Poems of the Cold by Joyce Sidman is a lovely book which takes a look at animals, reptiles, birds, and insects in winter or in cold climates. Illustrations are outstanding and the book will probably win more awards. The poems on the left page combine with the pictures and the scientific information on the right for an amazingly, artistically beautiful double-page spread. I got this for my daughter's classroom but it would perfect in all homes as a very highly designed art book which includes poetry and information. Curl up with the youngsters in your family and share this book. It will be one which will go through many generations?it's timeless! Leggi di più 2 persone l'hanno trovato utile Traduci recensione in Italiano Dennis Molinaro 5,0 su 5 stelle beautiful illustrations 18 dicembre 2019 - Pubblicato su Amazon.com Acquisto verificato got this for the grandson. fell in love with the illustrations and explanations of animal life during winter months.
