As a child, Suzy spent time collecting stickers, playing board games, picking berries in the woods, perfecting her Snoopy sketches, adventuring with her sisters, woodworking with her dad and baking with her mom. She embraces being in beautiful habitats surrounded by nature's palette of colors, textures and forms. Suzy explores the worlds within our worlds, the little details that make us smile, and the connections that make us all part of the global community. She is now enjoying a new adventure, living in the lovely Midwest, where she scouts for cardinals and enjoys chocolate-cayenne ice cream at the local scoop shop."
