In the direction of them is this **gnossiennes 6 piano by satie erik** that can be your colleague. On certain occasions, you In the same way attain not discover the publication *Gnossiennes 6 Piano By Satie Erik* that you are looking for.

Tout comme les «Gymnopédies», les «Gnossiennes» renvoient à des traditions de la Grèce antique. Probablement stimulé par l'Exposition universelle de 1889 à Paris, le compositeur français Erik Satie (1866-1925) introduisit dans ces pièces des ornements orientaux. Très sensible aux tendances musicales en vogue à l'époque, il relia entre eux des éléments exotiques, des influences provenant de la musique de cabaret, ainsi que, bien entendu, ses propres idées et en tira quelque chose d'absolument

nouveau. Quelques-unes des «Gnossiennes» surprennent par dénigmatiques fragments de texte introduits entre les portées. D'après Satie, il ne faut pas les lire à haute voix, car il sont là pour créer une secrète complicité entre le compositeur et l'interprète.

The Gnossiennes were posed by Satie in the decade following the position of the Trois Gymnopédies 1888 Like them the Gnossiennes are often considered dances The musical vocabulary of the Gnossiennes is a continuation of that of the Gymnopédies a development that had started with the 1886 Ogives and the Sarabandes later leading to more harmonic experimentation
