"Recensione ""One of the best, and one of the funniest English authors"" (Independent)""...an ideal introduction to the worlds of science fiction, fantasy and humourous writing for reluctant and avid readers alike."" (Booktrusted News) Dalla quarta di copertina Twoflower was a tourist, the first ever seen on the Discworld. Tourist, Rincewind decided, meant idiot. Somewhere on the frontier between thought and reality exists the Discworld, a parallel time and place which might sound and smell very much like our own, but which looks completely different. It plays by different rules. Certainly it refuses to succumb to the quaint notion that universes are ruled by pure logic and the harmony of numbers. But just because the Disc is different doesn't mean that some things don't stay the same. Its very existence is about to be threatened by a strange new blight: the arrival of the first tourist, upon whose survival rests the peace and prosperity of the land. But if the person charged with maintaining that survival in the face of robbers, mercenaries and, well, Death is a spectacularly inept wizard, a little logic might turn out to be a very good idea... L'autore Terry Pratchett was the acclaimed creator of the global bestselling Discworld series, the first of which, The Colour of Magic, was published in 1983. In all, he was the author of over fifty bestselling books. His novels have been widely adapted for stage and screen, and he was the winner of multiple prizes, including the Carnegie Medal, as well as being awarded a knighthood for services to literature. He died in March 2015."

The first discworld novel the colour of magic was published in 1983 and the series is still going strong almost three decades later four discworld novels hogfather going postal the colour of magic and the light fantastic have been adapted for television with more to follow

Just as the first chapter of the colour of magic has many resonances with fritz leiber s swords series so can this chapter be regarded as a light parody of the works of horror author h p lovecraft who wrote many stories in a universe where unspeakable evil lives and where ancient gods with unpronounceable names play games with the lives of mortals. The first ever novel in terry pratchett s discworld series introduces us to the landscape and characters of this literary universe in a fantastic romp around the discworld the colour of magic features the wizards of unseen university dragons demons and unlikely heroes in the shape of a failed student of magic a hostile box with hundreds of little legs.
