He wants to prove himself to his father. She wants to enjoy her parents' anniversary without questions about her love life. Can these friends pull off their fake fiancé pact or will their pretend romance turn into something real, despite the secret he's keeping from her? Georgina Bauer comes from a large family. As the middle child she's mostly overlooked, except when it comes to her love life. And she's okay with staying out of the limelight. It suits her personality, which is why she enjoys being a personal assistant to one of New York's most influential women. But when Georgie's parents invite her and the whole family to celebrate their fortieth wedding anniversary in a big way, she knows she has to attend. Determined to keep her family's questions about her lackluster love life to a minimum, she asks VP of acquisitions, billionaire Dean Legend to be her fake fiancé during the festivities. They went on a couple of dates during his brother's destination wedding as well as several when they returned to New York, but a few months ago she put him firmly in the friend zone, which means she won't have to worry about losing her heart. Dean Legend works for Legend Enterprises at his father's company. It's more than a full-time job trying to impress his father. But Dean is gritty and vows to prove himself to the man anyway, and that means taking chances. Resolute, he goes behind his father's back to acquire a company he is sure will be good for the Legend's bottom line. When Georgie asks him to be her fake fiancé for her family festivities, he jumps at the chance. The trip will give him an opportunity to see the prospective business up close. Plus, Georgie caught his eye while they were in Maui and even though she friend-zoned him a while ago, he can't stop thinking about her. She's sweet, beyond beautiful, and a blast to be around. The whole trip feels like a win-win until he discovers Georgie has ties to the company he wants to purchase. \_\_\_\_\_ LOVE IS A DESTINATION SERIES Rockstar Billionaire Billionaire Best Man Faking it With the Billionaire Dating the Billionaire Other books by Carly Morgan Most Eligible Cowboy Happily Ever Summer The Risky Groom The Ever After Groom The Nanny's Billionaire
