By Toutatis! The year is 50 B.C. and Gaul is now entirely occupied by the invincible and mighty Romans. Well, hold on a minute, not entirely. One small village of indomitable (and completely mad) Gauls still defiantly - even nonchalantly - holds out against the bemused invaders and life is certainly never easy or dull for the unfortunate Roman legionaries who garrison the surrounding fortified military camps of Totorum, Aquarium, Laudanum and Compendium. Explore the wonderful world created by René Goscinny and Albert Uderzo and take a look at some of the funniest

**Asterix and Obelix travel to Britain with Asterix's British cousin to help the last British village holding out against the invading Romans. The trouble starts when their barrel of magic potion is stolen. This is a fine Asterix adventure with lots of humor and action.**

Asterix wins hands down for humour, but if forced then I'd have to go down on Tintin's team. Tintin gave me my wanderlust. Almost every frame of every book is a work of art in itself. 50 BC Gaul has been fully captured by the Romans, one small village is still holding back the invaders, yes, and this village would not fight so hard if not for a magic potion that brews their druid Getafix. With this potion, the strength of the one who drinks it increases many times. Please do not spoil content of next issues. Report spoiler.

**Uderzo's death at 92 has united fans of Asterix in appreciation of his unique craft. For many UK readers, myself included, it will have been the third English edition of the Asterix series, Asterix in Britain, that served as an entry point into the world of the Gauls and the work of Goscinny and Uderzo.**
