"Amazon.de Habits of the Heart is required reading for anyone who wants to understand how religion contributes to and detracts from America's common good. An instant classic upon publication in 1985, it was reissued in 1996 with a new introduction describing the book's continuing relevance for a time when the country's racial and class divisions are being continually healed and ripped open again by religious people. Habits of the Heart describes the social significance of faiths ranging from 'Sheilaism' (practiced by a California nurse named

Sheila) to conservative Christianity. It's thoroughly readable, theologically respectful, and academically irreproachable. --Michael Joseph Gross Pressestimmen "'Habits of the Heart is, rare among works of scholarly origin, an outspoken and even emotional plea for attention to an argument, and a danger. Its power is in the passion of its analysis, the vision of us . . . narrowing the gap between the inordinate rewards of success and the not less inordinate punishments for failure, in economic terms, in the society.'--'Los Angeles Times Alle Produktbeschreibungen"

**Habits of the heart is about as close to the inferno as establishment social scientists are likely to let themselves get it tracing of the deepening circles of desolation inscribed by our individualism es closer to the core of our national pathology than any other academic analysis has**
