We re tentree we believe that big change starts small whether you re bringing eco bags to the grocery store when you remember or have a fancy reusable water bottle we

are here to celebrate the small wins at tentree we empower everyone to plant trees with their purchases while offering sustainably made products for everyone to enjoy. Lt i gt we planted a tree and it grew up lt br gt while it reached for the sky and the sun lt i gt lt p gt in this simple poem illustrated by award winner bob staake two young families in two very different parts of the world plant a tree as the trees flourish so do the families while trees all over the world help clean the air enrich the soil and give.

Tree planting is such a generative activity for everyone i can still remember tree planting as child at my bach there is tall totara lifting its head into the sky my husband and i planted it when it was a tiny seedling 6 inches high tree planting is to be present at a miracle

We inspire people to plant s nurture and celebrate the arbor day foundation a 501 c 3 nonprofit conservation and education anization a million members donors and partners support our programs to make our world greener and healthier. Planting a tree is a lifelong investment how well this investment grows depends on the type of tree selected and the planting location the care provided during planting and the follow up care after planting.

Worst trees to plant near a house the trees on this short list are deemed the worst because of their widespread invasive roots these are just the top offenders though once you find a tree you like do a little research to see how fast growing and destructive their roots could be

We planted a tree is a sweet story that is told through a gentle lulling apoem diane muldrow manages to explain the benefits of trees without lecturing and in a way that is a delight to read out loud and in a way that an active four year old boy can understand and enjoy. Transplant shock usually starts at the tree s roots sometimes roots don't have enough room to spread out or didn't get enough water right after being planted whatever the case trees wear their heart on their sleeve or should we say their leaves that s why you see those wilted yellow or brown leaves is my newly planted tree dying. We walked in the garden we planted a tree don't try to find me please don't you dare just live in my memory you ll always be there all i wanna do is make love to you one night of love was all we knew all i wanna do is make love to you i ve got lovin arms to hold on to oh ooh we made love love like strangers all night long we made love.
