"Pressestimmen "The subject of the book *Alla Osipenko: Beauty and Resistance in Soviet Ballet* by Joel Lobenthal is the history of ballet. A ballerina born with a physique perfect for classical ballet, Osipenko strove with entire artistic passion toward new discovery inside classical ballet.

She criticized the system of classical dance created by her teacher Agrippina Vaganova, who is known as the 'Queen of the Variation.' But ironically, Alla Osipenko's name is very well known inside the professional ballet world as the 'Queen of Adagio.'" -- Nina Danilova, author of *Eight Female Classical Ballet Variations*'This is a marvelous book about the legendary Russian ballerina, Alla Osipenko, who defied the repressive Soviet regime with the power of her art and ultimately won. An absorbing and gratifying read! Great gift for Russian ballet lovers!' -- Alexander Poznansky, Yale University'Joel Lobenthal's account of Alla Osipenko's life and thoughts is a wonderfully intimate history of one of the greatest ballerinas of the 20th Century. He provides an unparalleled view into her personal world not only as a Kirov dancer but also as a Soviet citizen, who suffered and benefitted from a regime that valued ballet but not individuality. Lobenthal has written a book that does justice to his subject. It dances and pirouettes from topic to topic, while at the same time telling a compelling history of success and setbacks, of beauty and its adversaries, and of a life in the limelight from Stalin to Putin.' -- Juliane Fürst, author of *Stalin's Last Generation: Soviet Post-War Youth and the Emergence of Mature Socialism*'[A] must-read for ballet historians, documenting the trials and tribulations of the life of one of the Kirov Ballet's most important ballerinas...what a story [Lobenthal] tells, and what a valuable insight he gives us into the tragic life of a true star and a true artist.'--*Dance Europe*'Alla Osipenko: Beauty and Resistance in Soviet Ballet is a thoroughly researched, expertly crafted biography, full of care, endearment and attention...Academic yet accessible, the book tells a compelling and engaging story - the true story of a celebrated ballerina's distinct journey onstage and off.'--Heather Desaulniers *Dance Commentary*'[T]he ballet world outside the walls of Osipenko's home theater deserves to know more about the story behind the legend. Joel Lobenthal's book conveys exactly this...As any well-narrated biography, this book is a page-turner...we must be grateful to the author for the unique opportunity to look at the life of the legendary ballerina through her own eyes.'--*The Russian Review* Über den Autor und weitere Mitwirkende Joel Lobenthal is Associate Editor of *Ballet Review*. He is the author of *Tallulah! The Life and Times of a Leading Lady* and co-author with Elena Tchernichova of *Dancing on Water: A Life in Ballet from the Kirov to the ABT.*"

Alla osipenko is the gripping story of one of history s greatest ballerinas a courageous rebel who paid the price for speaking truth to the soviet state she studied with agrippina vaganova the most revered and influential of all russian ballet instructors and in 1950 she joined the mariinsky then kirov ballet where her lines shapes and movements both exemplified the venerable traditions of russian ballet and propelled those traditions forward into uncharted and experimental realms
