Dance Teacher "" ""Provides marvelous insights into the careers and teaching philosophies of 18 respected dance professionals....Essential."--""CHOICE"" ""By allowing contradictions to exist amongst the various viewpoints, Speer lets readers decide which methods work best for their teaching practices."--""Dance Teacher"" Reseña del editor On Technique provides a fascinating look into the careers and teaching philosophies of eighteen of the world's most respected ballet masters, principals, and artistic directors. Author Dean Speer sat down with prominent ballet pedagogues and asked each a standard set of questions, including 'What do we mean when we say someone has beautiful technique?' and 'How did you become a dancer?'. Featuring such artists as Peter Boal (artistic director of the Pacific Northwest Ballet) and Bene Arnold (first ballet mistress of the San Francisco Ballet), this volume offers fascinating insights into the nature of both performance and artistic instruction. Speer's approach reveals sometimes surprising convergences among these world-class talents, despite their varying pedagogical backgrounds and divisions. Biografía del autor Dean Speer is the founding director of the Chehalis (Washington) Ballet Center, former artistic director of the Chattanooga Ballet, and regular contributor to Ballet-Dance Magazine."
