"Recensione Wolf Brother combines elements of fantasy, prehistoric fiction and facts, to make a brilliant book. This the first in a series of six (and one of the best, too). I would recommend it to any one who likes wolves (essential!), magic and stone age people! (THE GUARDIAN)The story is a rich tale full strong with the themes of survival, magic and folklore. Michelle Paver manages to install the same dreams in the reader's head that she once had herself - the dream to run with wolves in a prehistoric forest. (FANTASY BOOK REVIEW)Wolf Brother, the first of six books in Chronicles of Ancient Darkness, is a terrific read, and I was instantly grabbed by the throat and whooshed along by the power of the writing. (HISTORICAL NOVEL SOCIETY)Rich in detail which brings the past to life and makes the forest background vivid to all readers (LOVEREADING4KIDS)I liked the book because it is a thrilling, packed with a ton of action, and is an adventure you don't usually find in books. Wolf Brother never lets you stop reading, and it keeps a ton of suspense. (TEEN INK subscriber review)Wolf Brother is a book where time passes quickly as the reader is absorbed into a colourful world. And before you know it the book has ended and you find you just have to grab the next book in the series and continue reading. (THE DESK OF KAREN LEE FIELD REVIEW) Descrizione del libro A boy.
