I came to New York to escape my brutal past and create my art. I've worked hard all my life, but now I'm in over my head and sinking fast. To survive now I need a miracle. So when I'm offered the chance to house-sit at a posh Manhattan high-rise, I grab it like the life line it is. Suddenly, I'm living a Cinderella life of luxury . . . one that thrusts me into the path of an intense, dangerous man who is far from Prince Charming. Possessive. Dominant. Ruthlessly seductive. Billionaire Dominic Baine is a dark, carnal king in this city, ruling everything in his reach. He can have anyone,

but the only woman he wants is me. Our attraction is immediate and all-consuming. I know he's going to ruin me, crack me wide open and leave me broken. I know I should be careful not to give him my heart as easily as I surrender my body to him. Because if I let him get too close, those searing blue eyes are going to see through me--right down to the secrets I would do anything to protect. And being careful is the last thing I want when Nick is holding me in his arms.-----FOR 100 DAYS is the first novel in the scorching contemporary romance trilogy from New York Times and USA Today bestselling author Lara Adrian.
