What made the Romans laugh? Was ancient Rome a carnival, filled with practical jokes and hearty chuckles? Or was it a carefully regulated culture in which the uncontrollable excess of laughter was a force to fear—a world of wit, irony, and knowing smiles? How did Romans make sense of laughter? What role did it play in the world of the law courts, the imperial palace, or the spectacles of the arena? Laughter in

Ancient Rome explores one of the most intriguing, but also trickiest, of historical subjects. Drawing on a wide range of Roman writing—from essays on rhetoric to a surviving Roman joke book—Mary Beard tracks down the giggles, smirks, and guffaws of the ancient Romans themselves. From ancient "monkey business" to the role of a chuckle in a culture of tyranny, she explores Roman humor from the hilarious, to the momentous, to the surprising. But she also reflects on even bigger historical questions. What kind of history of laughter can we possibly tell? Can we ever really "get" the Romans' jokes?

Laughter in ancient rome on joking tickling and cracking up by mary beard There have been several excellent studies of uses of wit and laughter in the roman courtroom but i shall focus on the dilemmas confronting the joking orator trying to raise a laugh the difference from his audience in order to expose some of the ambiguities and anxieties of the culture of laughter in ancient rome figure 1 frans Hals the laughing cavalier.
