This is in addition one of the elements by securing the digital files of this **Sorcières By Mona Chollet Aline Afanoukoe Lizzie** by online. In the end, you will categorically discover a supplementary experience and action by spending more cash.

"Tremblez, les sorcières reviennent !" disait un slogan féministe des années 1970. Image repoussoir, représentation misogyne héritée des procès et des bûchers des grandes chasses de la Renaissance, la sorcière peut pourtant, affirme Mona Chollet, servir pour les femmes d'aujourd'hui de figure d'une puissance positive, affranchie de toutes les dominations. Qu'elles vendent des grimoires sur Etsy, postent des photos de leur autel orné de cristaux sur Instagram ou se rassemblent pour jeter des sorts à Donald Trump, les sorcières sont partout. Davantage encore que leurs aînées des années 1970, les féministes actuelles semblent hantées par cette figure. La sorcière est à la fois la victime absolue, celle pour qui on réclame justice, et la rebelle obstinée, insaisissable. Mais qui étaient au juste celles qui, dans l'Europe de la Renaissance, ont été accusées de sorcellerie ? Quels types de femme ces siècles de terreur ont-ils censurés, éliminés, réprimés ? Ce livre audio en explore trois et examine ce qu'il en reste aujourd'hui, dans nos préjugés et nos représentations : la femme indépendante - puisque les veuves et les célibataires furent particulièrement visées ; la femme sans enfant - puisque l'époque des chasses a marqué la fin de la tolérance pour celles qui prétendaient contrôler leur fécondité ; et la femme âgée - devenue, et restée depuis, un objet d'horreur. Enfin, il sera aussi question de la vision du monde que la traque des sorcières a servi à promouvoir, du rapport guerrier qui s'est développé alors tant à l'égard des femmes que de la nature : une double malédiction qui reste à lever.
