"Críticas 'Our family read this story every advent for years. I divided the book into 24 parts, reading each one after we opened the next door of the advent calendar for that night. I still can't think of a better -- and simpler -- way to celebrate that time of year. You can begin your own tradition when your oldest child is about 4. Your younger children will be captivated by the interest of the eldest and can fully participate in this evening ritual.' -- Bob and Nancy's Bookstore (www.waldorfbooks.com) 'This book is not just one of those to drag out for Christmas but could be read all year round.' -- Dianc Cronic, Education Otherwise 'Retells the birth of Jesus in a new and charming way. There is a touch of humour and an insight into the reality of the long journey. Can be enjoyed by children hearing it read aloud.' -- Ruth Marguerite Alexander Reseña del editor A long time ago in the Holy Land lived a dirty little donkey who hated hard work. And then he met gentle, kind Mary, and his world changed forever. When Mary and Joseph are told they have to go to Bethlehem, who will carry Mary on the long journey? And when Herod's soldiers come looking for them, who will help them escape across the desert to Egypt? This is an exciting and

beautifully told version of the Christmas story and the early years of little Jesus's life, from a unique, child-friendly perspective. It is ideal for family reading through the Advent season. Biografía del autor Gunhild Sehlin (1911-97) was a teacher in the south of Sweden, and then worked with children in Jerusalem and Amman. Mary's Little Donkey has been widely translated into many languages."
