"Críticas ""A really nice companion piece that bridges the original film with the new sequel while providing plenty of behind-the-scenes sneak peeks and concepts."" - Midroad Movie Review ""Once again Titan Books has shown why its the go to publisher for art books for films."" - Entertainment Buddha ""Tons of great content for the average science fiction fan with a lot of great photos and concept art. Venue: Atomic Moo."" - Atomic Moo ""This book is so tightly crammed full of extraterrestrial goodness, the layout is lush, detailed and really quite the treat for all film buffs out there."" - Shock Til You Drop ""I do like the added touch of using David Levinson POV to guide us through ID4, the aftermath and Resurgence in the book."" - Retrenders ""If you dig spaceships this is can't miss coffee table book reading."" - Adventures In Poor Taste ""Makes for a nice companion"" - The Film Stage ""There are some gorgeous Resurgence concepts for things like the AI ship, the final battle with the Alien Queen, and various dogfight scenes, but my favorite parts of the book are the classified case files, written in the voice of David Levinson's character, that recap a full history of the first alien invasion"" - VG Blogger Reseña del editor The Art at Making of Independence Day Resurgence takes readers from the aftermath of the '96 invasion, through there building of the planet, and the new, terrifying threat about to hit Earth. This official companion is packed with incredible concept art, costume design, behind-the-scenes photography, and exclusive interviews with cast and crew including Jeff Goldblum and director Roland Emmerich. Biografía del autor Simon Ward is a writer of both fiction and non-fiction, specialising in cinema and graphic novels. His essays and articles have appeared in numerous publications, including Cinema: The Whole Story, 1001 Movies You Must See Before You Die, 1001 Comics You Must Read Before You Die, The Greatest Movies You'll Never See, and Sci-Fi Chronicles. He wrote the introduction to Modesty Blaise: The Grim Joker."

As of this writing independence day resurgence has a global box office total of 266 million after nearly a month in theaters it s not bad but it s not great either this is the type of film that s supposed to break a billion

The first 50 pages are devoted to the first independence day film with a lot of fan friendly detail about characters and plot but not much mention of the technical and artistic process behind it the book finally starts to fulfil its title s promise from page 70 where we get rough pencil sketches digital paintings and cross sections of the new movie s moon base.
