"Reseña del editor A Eivissa i Formentera, durant segles autèntiques illes aïllades, es va configurar una cuina elaborada amb productes estacionals i basada en la trilogia mediterrània: el blat, el vi i l'oli d'oliva. Elaborada amb productes autòctons, i que, per sort, encara conserva la seva essència, la seva pròpia filosofia

gastronòmica. Un autèntic patrimoni de la humanitat, com haurien de ser declarades  
totes les cuines del món."
