what you think by voting in our poll born in 551 bc confucius was a chinese teacher and philosopher whose principles can still be applied to chinese beliefs and traditions today as well as philosophy across the globe

André continues each civilization had his mentor as is revealed in the book brazil heart of the world motherland of the gospel ismael that the angel is the mentor of

brazil so the civilizations of that era already had their own mentors as indien has many gods or tibet has buddha and so on.
