"Pressestimmen ?In this thoughtful debut, the Indian-born Nadella tells the story of his personal life and his work as a change-making leader, and he explains the coming importance of machine intelligence. The author emerges as a modest, likable individual from an accomplished family? A valuable blueprint for techies and others in a culture-change state of mind.?" (Kirkus Reviews) Über den Autor und weitere Mitwirkende Satya Nadella is Chief Executive Officer of Microsoft. Before being named CEO on February 4, 2014, Nadella held leadership roles in both enterprise and consumer businesses across the company. After Joining Microsoft in 1992, Nadella quickly became known within the company as a leader who could span a breadth of technologies and businesses to transform some of the world?s best known and most used products. Originally from Hyderabad, India, Nadella now lives in Bellevue, Washington. He holds a bachelor?s degree in electrical engineering from Mangalore University, a master?s degree in computer science from the University of Wisconsin, Milwaukee and a master?s degree in business administration from the University of Chicago. Nadella is married and has three children. In his spare time, he loves to read poetry and follows cricket, a sport he played in school."
