"Reseña del editor Delighting a friendly nation of mice when she helps her uncle invent a miniature computer, 10-year-old Megan is followed across the country by mice who want tiny computers of their own and who reveal a secret about how mice have intelligently evolved. A first novel. 35,000 first printing. Biografía del autor Prudence Breitrose grew up in the part of England where Winnie the Pooh once roamed, but now lives in California. She worked as a health education writer until she had a dream that confused computer mice with the real thing. That got her started on this novel, which is her first. Visit her and Mouse Clan 1578 at www.mousenet.org. Stephanie Yue is a transplant from Atlanta, Beijing, and Hong Kong. She studied illustration in New York City, and currently shares a home with a hamster in Providence, RI. When she's not drawing, you may find her zipping around on a scooter, training in martial arts, and pretending to be a superhero. More of her work can be found at www.jellycity.com."
