Culture Shock Costa Rica A Guide to Customs and Etiquette Claire Wallerstein on Amazon com FREE shipping on qualifying offers Great book for finding out many things about Costa Rica The history the country the people the social customs and attitudes.

Though known as being friendly and open as a country and people awareness of customs and traditions may ease any culture shock and it?s always good to be shown making the effort If coming from a western country you may find that many everyday behaviours differ from those you are used to

Needless to say many Arab customs are very different from those in the west and you should be aware of what you?re expected to do and not to do Although Arabs are understanding and unlikely to take offence at social blunders provided they arise from ignorance rather than malice you will be made far more welcome if you acquaint yourself with local ways of doing things. On average they will earn around 90 of the salary of a male in a similar job which is a higher percentage than in countries such as the US However there is a culture of the ?glass ceiling? and many women will never reach a senior position in their organizations.
