Purge the world of dead art imitation artificial art promote living art anti art promote non art reality to be grasped by all peoples writes artist gee maciunas in his fluxus manifesto of 1963 reacting against an elitist art world enthralled by modernist aesthetics fluxus encouraged playfulness chance irreverence and viewer participation the diverse collective. The idea that fluxus represents the radical and political ethos of the 60s is deeply rooted in the us art historical discourse born between the unpolitical 50s and the over politicized 60s one of the earliest references to fluxus radicalism can be traced back to 1979 when harry ruhé published fluxus the most radical and experimental movement of the 60s.
