"Recensione ""James Gurney's new book, Color and Light, cleverly bridges the gap between artistic observation and scientific explanation. Not only does he eloquently describe all the effects of color and light an artist might encounter, but he thrills us with his striking paintings in the process."" --Armand Cabrera, Artist L'autore James Gurney?s unique blending of fact and fantasy has won Hugo, Chesley, Spectrum, and World Fantasy Awards. His work has been featured in one-man exhibitions at the Smithsonian Institution, the Norman Rockwell Museum, the Delaware Art Museum, and the U.S. embassies in Switzerland and Yemen. He lives with his wife, Jeanette, in the Hudson Valley of New York State."
