Cmdr. Brick Maxwell and his F/A-18 squadron are flying cover for the president of Taiwan's jetliner when it is blown out of the sky. Other than a slight shimmer of light preceding the catastrophe, there's no visible cause for the explosion. But Maxwell suspects that China has stolen the plans for the Black Star -- a virtually invisible superstealth fighter. Now a full-scale war is inevitable -- unless Maxwell and a team of commandos can hijack the state-of-the-art killing machine. But with a beautiful defector of dubious loyalties guiding them, the mission can take a wrong turn at any moment...

a glitch however as the black star is described in
game as only being able to hold black souls the
black star is better than azura s star however
already filled grand soul gems can be found very

often in mage shops so as long as you have the
gold you can have a large supple of grand souls if
you choose to. I chose the normal azura s star the
1st time around saved the game 1st before
starting the quest so i could suss the both out
before making a decision and ended up after
doing the black azura s star side alternative quest
keeping the black star because of its ability to

hold human souls.
