"Pressestimmen 'Jacob Sullum dismantles the antidrug messages.' ?The New Yorker'A welcome departure from the choreographed war on drugs.' ?The Washington Post Synopsis Jacob Sullum goes beyond debate on legalization or the proper way to win the 'war on drugs', to the heart of a social and individual defence of using drugs. Saying Yes argues that the all or nothing thinking that has long dominated discussions of illegal drug use should give way to a wiser, subtler approach. Exemplified by the tradition of moderate drinking, such an approach rejects the idea that there is something inherently wrong with using chemicals to alter one's mood or mind. Saying Yes further contends that the conventional understanding of addiction, portraying it as a kind of chemical slavery in which the user's values and wishes do not matter, is also fundamentally misleading. Writing in a lively and provocative style that earned him critical acclaim for his previous book, Sullum contrasts drug use as it is described by politicians and propagandists with drug use as it is experienced by the silent majority of users. The lives they lead challenge a central premise of the war on drugs - the idea that certain substances have the power to compel immoral behaviour. Alle Produktbeschreibungen"

**Saying yes in defense of drug use jacob sullum the contradiction between what the government says and what drug users know has been increasingly difficult to maintain in recent years during the clinton administration the government continued**

In 2012 washington residents voted to legalize the recreational use of marijuana only eight years later a coalition of policy makers public health professionals treatment specialists and law. For example you often hear advocates of drug legalization say that we're never going to win the war on drugs and that it would free up space in our prisons if we simply legalized drugs while it's true that we may not ever win the war against drugs i.e. never entirely eradicate the use of illegal drugs we're not ever going to win. It undermined their sense of themselves as individuals in control of their own destinies mr sullum wrote in his 2003 book saying yes in defense of drug use and so they stopped.
