"Reseña del editor In one of the earliest definitive studies of the genre, former music magazine editor and

writer Philip Bashe dives into the origins of heavy metal rock, compiling a fascinating history and timeline of its pioneering bands. In this insightful study, Bashe—the former editor of both International Musician & Recording World and Circus magazines—dissects the style, tracing its origins from Link Wray’s 1954 guitar distortions on “Rumble,” to the first true heavy metal single: the Kinks’ 1964 “You Really Got Me.” In addition to the genre’s high-volume, high-drama history, Bashe illuminates the songs and performances of ten of the most lauded groups in heavy metal history, all of whom were interviewed at length for Heavy Metal Thunder: Black Sabbath Judas Priest Scorpions Rush AC/DC Van Halen Iron Maiden Def Leppard Quiet Riot Mötley Crüe Featuring a foreword by Judas Priest front man Rob Halford, as well as dozens of photos, Heavy Metal Thunder also includes a chronology and discography for collectors. Readers interested in related titles from Philip Bashe will also want to see: Dog Days (ISBN: 9781635615739). Biografía del autor
