"Recensione Without doubt, this is one of the great sport books of all time. (Tom Norton Nottingham Evening Post 2015-11-21) To read this phantasmagoria of a book is to yearn for what football has lost. (Ian Herbert The Independent 2015-12-05) Descrizione del libro The astonishing story of Brian Clough's Nottingham Forest and their remarkable five-year journey from also-rans to European champions. Dalla seconda/terza di copertina On January 6, 1975, Nottingham Forest were thirteenth in the old Second Division, four points above the relegation places and straying dangerously close to establishing a permanent place for themselves among football's nowhere men. Within five years Brian Clough had turned an unfashionable and depressed club into the kings of Europe, beating everyone in their way and knocking Liverpool off their perch long before Sir Alex Ferguson and Manchester United had the same idea. This is the story of the epic five-year journey that saw Forest complete a real football miracle and Clough brilliantly restore his reputation after his infamous 44-day spell at Leeds United. Forest won the First Division championship, two League Cups and back-to-back European Cups and they did it, incredibly, with five of the players Clough inherited at a club that was trying to avoid relegation to the third tier of English football. I Believe In Miracles accompanies the critically-acclaimed documentary and DVD of the same name. Based on exclusive interviews with virtually every member of the Forest team, it covers the greatest period in Clough's extraordinary life and brings together the stories of the unlikely assortment of free transfers, bargain buys, rogues, misfits and exceptionally gifted footballers who came together under the most charismatic manager there has ever been. Dalla quarta di copertina 'You win something once and people say it is all down to luck. You win it twice and it shuts the buggers up.' BRIAN CLOUGH 'We were like one of those comets you see flying across the night sky. We burned brightly, but it was all too brief. But, boy, did we burn brightly for a while.' JOHN MCGOVERN 'It was like getting on a train and never getting off.' MARTIN O'NEILL L'autore Daniel Taylor grew up watching Nottingham Forest from the terraces of the City Ground before moving into the pressbox, and is currently the chief football writer for the Guardian and the Observer. This is his fourth book and his second on his specialist subject - Clough and Forest. Taylor grew up in Nottinghamshire and started his career at the Newark Advertiser. He was appointed by the Guardian in 2000 and now lives in Manchester. Jonny Owen was born and bred in Wales' most famous footballing town, Merthyr Tydfil. As well as acting in some of the UK's biggest TV shows and writing and starting in the Universal movie Svengali, he's also written about football for the Guardian, The Times and the the Western Mail.
