A majority of countries have minimum wage laws convention 26 the principal international labour organization ilo convention on minimum wages has one of the highest ratifications by national governments while it is easy to think of these minimum wage systems solely as arrangements for promoting some degree of fairness in national labour markets the reality is much

more plex. Iranian labour law describes the rules of employment in iran as a still developing country iran is considerably behind by international standards it has failed to ratify the two basic conventions of the international labour organization on freedom of association and collective bargaining and one on abolition of child labour countries such as the us and india have also failed to ratify many. Paperback condition new 2nd revised edition language english brand new book policy discussions play an important role in labour law and labour lawyers draw on a wide range of disciplines

and approaches in order to construct their arguments.
