surprising and idiosyncratic paths still remain towards what even the most secular among us can agree should still be called enlightenment. - Adam Gopnik Krista Tippett's ecumenical generosity speaks both to high moral standards and to diverse ways of conceptualizing and achieving them. Her trade has been listening, and from that listening has emerged a deep understanding of the mind and the heart and the curious bridges between them. This is a book about kindness and forgiveness and the insight that is contingent on abandoning monolithic paradigms. Becoming Wise is an ambitious title, but in culling the wisdom of others, Tippett achieves a distinct and lovely wisdom of her own. ' - Andrew Solomon, author of Far From the Tree and The Noonday Demon We need Krista Tippett's voice and wisdom now more than ever. She has elevated the art of listening and the practice of being present in a way that is both accessible and soulful. BECOMING WISE is what I've been waiting for from Krista - the opportunity to learn from her and her experiences. This is brilliant thinking, beautiful storytelling, and practical insight. You won't forget what you read here - Brene Brown, New York Times bestselling author of Rising Strong I am a great admirer of Krista Tippett ... With this book, she has gathered all her years of learning and listening to create a masterpiece of philosophical and spiritual reflection. About halfway through the book, I stopped flagging pages and highlighting passages when I realised I was highlighting nearly every word. This entire book is filled with things I never want to forget. The only remedy will be to keep it near me, always. - Elizabeth Gilbert Fans of Elizabeth Gilbert and Brene Brown will love this ... it's an enlightening take on life - Soul and Spirit magazine Werbetext 'I'm a person who listens for a living. I listen for wisdom, and beauty, and for voices not shouting to be heard. This book chronicles some of what I've learned in what has become a conversation across time and generations, across disciplines and denominations.' Alle Produktbeschreibungen"
