In Gary Jobson's 'Championship Sailing', one of the most successful sailboat racers in history shares more than 40 years of racing and sailboat expertise at the highest levels of competition. Introducing a proven system developed, fine-tuned, and perfected over more than four decades of sailboat racing, Gary Jobson outlines the skills, reflexes, and instincts you need to become a true champion as he imparts his secrets for: organizing, training, and leading a crew; reading the wind and choosing the best side of the course; simplifying sail trim and rig tuning; improving boatspeed; tacking, jibing, and maneuvering for advantage; winning starts and leapfrogging boats at the finish; regaining lost ground; and, practicing alone, in pairs, and with a fleet. Whether you're racing in one-design or handicap fleets, in high-performance dinghies or big keelboats, 'Championship Sailing' will propel you to the front of the fleet.
