"Like a summer superhero movie, this YA fantasy features dazzling adventure and a truly epic romance." -Official iBooks ReviewFans of urban fantasy, Norse mythology, and all things Thor rave about The Ære Saga - the bestselling teen series from internationally bestselling author S.T. Bende! Read the complete series, starting with PERFEKT ORDER - Book 1 in the YA superhero fantasy saga about Norse gods . . . and the humans who love them. All's fair when you're in love with War. For seventeen-year-old Mia Ahlström, a world ruled by order is the only world she allows. A lifetime of chore charts, to-do lists and study schedules have helped earn her a spot at Redwood State University's engineering program. And while her five year plan includes finding her very own happily-ever-after, years at an all-girls boarding school left her feeling woefully unprepared for keg parties and co-ed extracurricular activities. So nothing surprises her more than catching the eye of Tyr Fredriksen at her first college party. The imposing Swede is arrogantly charming, stubbornly overprotective, and runs hot-and-cold in ways that defy reason . . . until Mia learns that she's fallen for the Norse God of War; an immortal battle deity hiding on Midgard (Earth) to protect a valuable Asgardian treasure from a feral enemy. With a price on his head, Tyr brings more than a little excitement to Mia's rigidly controlled life. Choosing Tyr may be the biggest distraction—or the greatest adventure—she's ever had.
