He's a doctor...but can you trust him?With his marriage collapsing and grief-stricken following the death of his baby son, surgeon Dan Lewis is struggling to make sense of it all. His work is his lifeline. But when he fixates on a child patient he thinks has a potentially lethal disease, no one believes the diagnosis. They all think he's losing his mind.When one of Dan's critics is senselessly murdered and the evidence points to the damaged doctor as the prime suspect, his bad situation becomes desperate. But there's a dark secret linking the ill child and the murder victim. One that no one other than Dan can see. Can he overcome his paralyzing despair to reveal the truth and clear himself? And if he does, will he be in time to save an innocent child from a terrifying fate?The Appointment is a tense and utterly compelling psychological thriller which will have you gripped from page 1.
