A chance encounter reunites a hometown girl and the now-single dad cowboy who was her first kiss..."Lacy's books are just so darn cozy and wholesome, without being cloying." WendyTheSuperLibrarian book blogLacy Williams is the USA Today bestselling author of the acclaimed Wyoming Legacy and Cowboy Fairytales series. ABOUT THE BOOKS:Kissed by a Cowboy 1He was her first kiss...Only one thing could've forced Haley Carsten to return to her hometown—her beloved aunt's failing health. Being home again stirs up painful memories of the high school best friend that died too young. When she meets a young girl who is the spitting image of her friend, Haley can't help but feel an instant kinship. The one thing she didn't count on was running into her high school crush—Maddox Michaels.Maddox is a realist. There's no place in his life for dreams, not when he has an impressionable niece to raise and a brother who's lost his way. But when Haley enters his orbit again, he can't help remembering those dreams that died alongside his sister—dreams like falling in love.Can Haley resurrect Maddox's heart, or have too many years passed since she was Kissed by a Cowboy?Kissed by a Cowboy 2Ever wonder what happens beyond happily-ever-after?Haley wanted nothing more than to be a mom, but six months into this motherhood thing, she can't remember sleeping through the night. She's a mess. So is the house. And to make things worse, Maddox has a new coworker—a bombshell who happens to be single. Maddox thinks the baby-rearing stage is easy. It's nothing compared to finding out his fourteen-year-old niece has been sneaking out at night. Or trying to decipher his wife's hot and cold signals. When Livy disappears for the second time, everything that's been boiling under the surface erupts.
