"Reseña del editor ?Omigosh!? IDW's Mickey Mouse issues #7-12 land in a luxurious, limited collectors? volume... with epic tales by Romano Scarpa and Andrea ""Casty"" Castellan, featuring the return of Atomo Bleep-Bleep, the quest for ""The Chirikawa Necklace,"" and the debut of Pegleg Pete's sinister main squeeze, Trudy Van Tubb! Including archival extras for true Disney Comics aficionados, this extra-thick Mickey tome

brings hours of thrills and comics history! Biografía del autor Andrea Castellan, who uses the pseudonym Casty, is an Italian comic artist and scriptwriter. He began writing scripts for Silver's 'Cattivik' comics in 1994, and started doing art on them in 1999. In that same year, he began working on Silver's other comic series, 'Lupo Alberto'. In 2007 he was involved in the 'Cattivik' television series for Mediaset. Casty started writing scripts for Topolino (Mickey Mouse) in 2003. He does art for the Italian 'Mickey Mouse' stories as well, in a style closer to classic artists like Scarpa and Gottfredson, instead of the more regular Cavazzano-influenced Italian style. The classic ""maestro"" Romano Scarpa (1927-2005) has historically been the most popular Italian talent with American Disney comics readers. As early as his youth in Venice, Scarpa had a passion for Disney comics and cartoons, with a particular fondness for the work of Floyd Gottfredson, plotter and artist of the classic Mickey Mouse newspaper strip. In 1955, Gottfredson was forced to transform that strip--hitherto a groundbreaking adventure serial--into a gag-a-day series. In 1956, Italian editors asked Scarpa to pick up the adventure serials where Gottfredson left off, and continue the narrative for Disney's European readers. Scarpa crafted legendary Italian Mickey epics like ""Kali's Nail,"" ""The Chirikawa Necklace,"" and ""The Delta Dimension,"" all of which were later reprinted in the USA to great acclaim. Apart from his Mickey work, Scarpa created two beloved thorns for Uncle Scrooge's side: brassy business-gal Brigitta MacBridge and wanna-be tycoon Jubal Pomp! After sustaining a wildly prolific career, Scarpa retired in Spain, leaving behind a grand legacy for younger Disney writers and artists, such as Giorgio Cavazzano. Giorgio Cavazzano is an Italian artist that started his career at the age of 14 inking for Romano Scarpa producing stories for Disney with the characters Mickey Mouse, Donald Duck, Scrooge McDuck, and others. He is known for combining the traditional appearance of Disney characters with realistic illustration of technological gadgets and machinery."
