"Autorenkommentar USA Today- 'Business law guide is fun, informative' 8/11/97I am very

excited about the reaction to my new book. Working Woman called it 'A readable, practical guide to business law for entrepreneurs' 10/97 Washington Lawyer said it's like PDR for lawyers and should be on every lawyer's desktop. My MBA students at Stanford Business School love this book as do executives in the Stanford Executive Program for Growing Companies. I had fun writing it and hope you find it as 'fun, informative' as USA Today did (8/11/97)."
